

Protect Your Pet!

Low-cost RABIES CLINICS

Annual low-cost rabies clinics are now available across Simcoe County for dogs and cats over three months old. Costs are per animal and **ONLY CASH** will be accepted. No appointment is necessary to attend the walk-in rabies clinics (except [Georgian Triangle Humane Society](#)). A one-year vaccine is available and previously vaccinated pets may be able to receive a three-year booster. **You must bring your pet's vaccination records to see if your pet qualifies for the three-year vaccine.**

When attending a clinic:

- All pets must be at least three months of age.
- Dogs must be leashed and cats in carriers.
- Do not attend a clinic if you are ill.
- Wash hands with soap and water or use an alcohol-based hand rub immediately before and after visiting the clinic.

For more information about rabies and these clinics, visit the Simcoe Muskoka District Health Unit's website at smdhu.org/RabiesClinics
